

## My Itinerary for Bali

Day 1, Thu, Mar 15, 2018

## Bali City Tips

**BALI**

Bali, it's more than a place; it's a mood, an aspiration, a tropical state of mind. It is known for its lush green rice terraces, rugged mountains, coconut plantations, sandy beaches and great night life. Thousands of temples have been built throughout the island, all playing a major part in the lives of the deeply spiritual people.
