The infographic is titled "QUEENSTOWN NEW ZEALAND" and features a central text box: "SURROUNDED BY THE REMARKABLES AND A SERENE L-SHAPED LAKE WAKATIPU, THIS WONDERLAND IS THE HEART OF NEW ZEALAND. FROM ADRENALINE ADVENTURE SPORTS TO BEAUTIFUL ASTOUNDING VIEWS." It is divided into several sections: "LOCAL TRANSPORT" (City Bus, Private Car, Walking), "LANDMARKS" (Milford Sound, Lake Wakatipu, Shotover River, Coronet Peak, Glenorchy), "SHOPPING" (Canterbury Store, O'Connell's Center, Remarkables Market), "RESTAURANTS" (Ferg Burger, Richard's Bar, Jervois Steak House, The Spice Room, My & Lola's), "BEST TIME TO VISIT" (Summers Dec-February, Ski Holiday July-September), and "HIDDEN GEMS" (Rent a car, Fines for over/under speeding). The background shows a scenic landscape with mountains, a lake, and a path. A copyright notice "Copyright © LazySuitcase 2015" is on the right.
